Ok can you remind me of when we sent the application and what communication you've had with them about it, etc.

Well, I'm not finding anything in writing about sealing any deal for a multi-year \$100,000 commitment but do recall that kind of being our assumption. (Pitt did personally say to me that they would make sure we had the funding we needed moving forward, but that was a rather general statement.)

I don't have any reason to believe we are not in good shape, but it probably wouldn't hurt for one of you to follow up the official request we've made. (I really don't read anything into this but did notice that Teresa had unsubscribed to our enewsletter - probably just to eliminate clutter among all the emails she must get.)

Bill – I believe you, Teresa and I sat down (Ray Pohlman was also there) at HFF offices and we sealed the deal there, right? Didn't we do a follow up email to confirm it?

Blair, do you want to call Teresa or me. I don't recall the efforts to get the 100.

Ben and Blair,

We applied back in September for continued funding from the Hyde Foundation at the \$100,000 level.

While I guess we've kind of assumed their continued support, I'm not aware of any promise /guarantee. Obviously, it is pretty critical.

I leave it up to the two of you as to whether you want to follow up with Teresa and/or Pitt.
